

Priyaa is a senior physiotherapist at Woodlands Health (WH). Priyaa has been a physiotherapist since 2013, having completed her Bachelors in Physiotherapy with Trinity College Dublin (2014) and her Masters degree in Advanced Cardiopulmonary Physiotherapy with University College London (2021). She is currently the lead for the cardiopulmonary (and intensive care unit) team of physiotherapists at her institution. She is the physiotherapy representative for the following workgroups at WH – Health Optimization Perioperative Programme (HOPE), Tiered Weight Management (TWM), Hyper-Acute Unit (trauma), Complex Inpatient Care (CIC) and Advanced Scope for Tracheostomy Weaning. She was featured in Prime Minister Lee’s National Day Rally on August 29th, 2021 in recognition of the service rendered for patients with COVID-19. She has been a clinical educator to multiple batches of physiotherapy students, and is currently a clinical mentor to junior physiotherapists. She actively volunteers with Nanyang GRC, and serves as a mentor to children from low-income families. She is also the director of Crown Community Services, a non-profit organization that assists and empowers diverse group of people.
